Introducing the Kids Kronicle

So, what is the Kids Kronicle? The Kronicle is a newsletter designed to keep YOU (a former K.I.M. volunteer) informed about what's going on here in the Philippines!

What will you read about in the Kronicle? All of the activities and events going on at K.I.M. You will also hear about new opportunities to be involved at K.I.M.

Best of all, this newsletter will help you feel connected to the kids you served and loved while you were here. Thank you for the ways you have served with us—we hope this newsletter finds you well!

-The Kids International Family

Still a Growing Family

In the last few weeks, the NFFCH in Manila has welcomed 5 new kids to the ranks. Noel-10, Alex-7, Tyra-2, Christian-10 months, and Heartly-2 months all arrived in the beginning of October and are doing great! The babies had a lot of health issues but God has been gracious. They are all healthy now and growing quickly. Noel loves learning and is enjoying his school days. Alex is having a great time getting to know all the other girls. Pray for the adjustment of these five kids. They are such a blessing to the home!

Expansion Completed!

What a journey our Manila children's home has completed! As our family continued to grow, it became necessary to add on to the children's home building. The plans were to add a dining room (giving the girls back their sala) and a new nursery for our now nine babies and toddlers.

On a recent Saturday afternoon, the long anticipated completion of the building arrived. At 3:00 pm the children, staff, and community church members gathered on the lawn to celebrate how God has provided once again.

After hearing from Jeff Long about the journey that brought us a new part of the home, we heard songs from some women at the church. Traditional dancing and a karate demonstration were also part of the program.

As you can imagine, it was a night to remember! What a great time to reflect and to praise God for what He's done for us. Now our babies have a new home and the children have a dining room they can grow in. Thank you for praying for the completion of this important project.

World Racers in Mindanao

During the month of October, a group of World Racers was in Malaybalay doing some amazing work with the children's home there. Between construction, working with the kids, and getting involved in the community, they have definitely left a mark on the town. The team helped with two big cement projects at the new children's home, including pouring the main stairs of the home. It was a messy job, but they were more than willing to jump right into the work, even the afternoon after they got off the plane!

The kids are also enjoying having the team around—new friends to play with who have an immeasurable amount of energy for them. There are basketball games every day, card games, and puzzles to put together. They are definitely enjoying their new companions! It is easy to fall in love with the children here and the world race team has experienced that first-hand.

Upcoming Birthdays:

Gerald: November 2 (6)

Maricel: November 13 (16)

Camille: November 23 (7)

Ayra: November 27 (9)

Community Welcomed to Children's Home

The air was filled with excitement and anticipation as hundreds of community kids and parents waited for the gates of the Children's Home to open. Saturday morning was a block party and everyone was there. There was a team from Minnesota there to help as well as the October 08 World Racers. The morning was a huge success, with close to 500 people. There were crafts, games, and candy and other treats for the kids while parents walked away with a bag of rice and other food for their families.

The kids all had a great time and left with faces painted and smiles wide. It was such a fun morning, and a great opportunity share God's blessings with the community. Please pray for the lives of those community members who were impacted by their time with the teams who are here right now.

Want to help again?

The Kids Kronicle is an extension of the ministries of Kids International Ministries. If you would like to continue to support KIM in its ministries please see our website and click on the "How Can I Help" section.
